Section A

Does your child take regular/permanent medication? YES/NO

If the answer to the above mentioned is yes, please answer the following question:

What medication does your child take?

How regularly does your child need to take it?

Section B

Authorization for a child's way staff to consent to treatment of child.

We will always try to reach a parent or guardian first if there is an emergency involving your child. If your child is involved in an accident that we feel is serious, we will call an ambulance. If the determination is made that emergency care is required at a hospital, the ambulance will transport your child to the hospital.
